37 C.F.R. §10.40(c)(1)(iv), et al.

Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

On September 4, 2007, a Requirement for Election/Restriction was mailed by the U.S. Patent and Trademark, and was duly received by the undersigned shortly thereafter. Immediately upon receipt, a copy was forwarded to the individual previously identified as the U.S. representative of the Applicant, who is believed to be a Korean national residing in the Republic of Korea. The Applicant's U.S. representative, who is believed to be fluent in the Korean language, has, on numerous occasions, attempted to contact the Applicant through all channels of communication known to him, all without any response. Accordingly, the U.S. representative has now advised the undersigned that further attempts to communicate with the Applicant appear to be pointless.

The undersigned is aware of no reasonable method of communication with the Applicant, other than those believed to have been employed unsuccessfully by the Applicant's U.S. representative. Without effective communication between the undersigned and the Applicant, further prosecution of the above-identified Application would be extremely difficult, if not literally impossible.

Accordingly, it is respectfully requested that the undersigned be forthwith relieved of any further responsibility of representation in connection with the above-identified Application.

Respectfully submitted,

Stephen J. Koundakjian
